The screenshot displays an IDE interface during a debug session. The main window shows a stack trace for a 'Daemon Thread' suspended at line 103 of 'GeometricModelHandler.berechnen()'. The 'Variables' window shows a variable 'this' of type 'GeometricModelHandler'. The 'Add Source' dialog is open, titled 'Add a container to the source lookup path', with 'Java Project' selected in the list of source folders. The 'Edit Source Lookup Path' dialog is also open, showing 'Default' as the source path, with the 'Add...' button highlighted by a red box. The 'Project Selection' dialog is open, showing 'JSF' selected in the list of projects to add. The console window at the bottom shows logs for JBoss v6.0.0.M3 and Mojarra 2.0.10.Final.
